This place is very hot these
days. We will be going soon
to Foginder Nager for few
months. This winter you all
must come & stay with us.

Miss. Mulkie has gone up to
Simla, she was very much
impressed with your talk &
was waiting to hear from you.
I hope this will find you
all in the best of health.

My Dear Mme Roerich

Thank you so much for your
book which Mme. Fosdick sent on
your behalf from New York.

I do hope that you and George
are keeping very well. My best
wishes to him.

We are all very well here and
are enjoying Rio very much, where
the natural beauty is unsurpassed
in the world. But for you Kalinpong
must be very beautiful too, with
