Dear Madame Poerich

This is just a
line to thank you for your
Christmas wishes & to say how
very very glad I am for you
to hear the news of your
husbands & sons arrival. It
has been a very trying &
worrying time for you during
this long wait & I feel sure

you will now begin to feel
well again.

It is a regret that I had
not the opportunity of seeing
you again this year while
I was in haggan.

Both my husband & I send
our best wishes & congratulations
on your good fortune

Yours Very Sincerely

Patricia Levingston.
