Dear Madame Roerich,

May I take this opportunity to express my allegiance to you and to Professor Roerich, and to say that I am proud to uphold the ideals for which you both have labored so mightily and so successfully. The Philadelphia Roerich Center is honored to bear your name and your charter, and you may be assured that I, as a

member of the board of this organization,
shall do all in my power to further
your aims and ideals, so that we shall
all realize happiness and joy through
love, service, peace and culture. May
God grant His blessing to our humble
and earnest efforts to serve your cause.

Assuring you of my sincerity
and devotion, I beg to remain,

Very cordially yours,
