

Bara-Coan

July 25th

Dear Mrs Roenck.

Just a note to say how
much we enjoyed our visit
the other day.

That your invitation should have
extended to lunch was doubly
appreciated as it was quite
unexpected.

I keep thinking of the pictures
"The Bramhapuhā" - The deer, and the

prest on the mountain top. The one
with the monastery and the
mountains in the background. And
those of your son "The Good
Samaritan", "The little sister", and
the portraits of the youngest girl.
These I remember particularly. Although
it was a pleasure to see them
all.

We shall not forget July 22nd,
and the kindness we were
shown.

Yours sincerely
Vivian Westcott.
