23rd March, 1953.

Respected Madam,

I have got no words to express my heart, conveying many thanks to your goodness for your help, always given to your servants and especially to me whenever I was in need of. The sum of Rs 25/- has been received by me. We will always be faithful to our great madam.

We always had a wish and a great desire to have your noble 'darshana', but to our ill luck this desire did not bear its fruit and it deprived us from this satisfaction. God knows how long we shall have to wait.

The fruit trees have started bursting into leaves. Beautiful flowers are on their way to blossom soon. Now we do not expect snowfall any more. The days are very open now and the weather is very pleasant here. We wish if you all could once visit your estate. Month of May for your visit will be very nice.

My Husband, and Kids convey their hearty (salam)
to your goodself, To Sab, Chota Sab, Chota Memsab,
Bara Miss sab and Chota Miss sab.

All the best wishes from,

yours faithfully,

Respected Bara Mem Sab,
'Tai Hind', just a line with all the best wishes for you and every one of yours.

Heavy long winter is over now. A thick pile carpet of flower petals is thrown about in rich profusion. We feel spring along with us is anxiously waiting to welcome our great Mem Sab. Nature is so kindly and spring so life giving.

We th. humble servants of Hall Estate anxiously wait for that day to rain flowers on our Bara Mem Sab.

We all are very thankful to you for your kind help. We have received Rs 30/- out of which ~~Rs 10/-~~ ^{Rs 20/-} will be spent for Mushrooms, which I hope to send at earliest. Remaining ~~Rs 20/-~~ ^{Rs 10/-} as required by you will be spent for the clothing of my kiddies. On hearing from Bara Mem Sab, kiddies look cheerful. They are standing with their hands folded as if they try to bring picture of Kalimpong before them.

Please accept and give our humble greetings to, Sab, Bara Miss Sab, Chhota Sab, Chhota Mem Sab, Chhota Miss Sab.

With every good wish,

yours faithfully,

Maina & Vishnu Sarn,

Dear Madam,

We have got no words to express your generosity towards your poor servants. We all are very much grateful to you for this noble act of yours. How sympathetic heart you have for the poor. We the humble servants of your goodness can never forget your sympathies and this great help at the right time, of sending Rs 100/- which we received the other day.

I have directly handed over this amount to Dr ^{Sahil} ~~Yalwanika~~, who is giving treatment to Maina. We hope with the grace of God and good wishes from our Madam she will be soon well, as she has improved a bit.

As for your valuable advice, I am trying to get a goat or goat milk, but so far I could not trace it out. I shall let you know the time I manage for that.

Maina is very happy to receive the amount for her treatment and she is so grateful to you, she says, she can never forget your goodness.

and she always prays for your good health,
happiness and long life.

S. Sahib is very happy and healthy!

Cherring, ^{Ram Saran} Bili and Usha are all well and
they send their hearty "salam".

Our best respects to Sahib, Bara Miss Sahib,
Chota Miss Sahib.

With all the best wishes,

from
