Myra Castle

28/1/45.

Dear Madame,

How very kind of you to send such wonderful things. I do not know how I shall be able to repay your kindness. Till I can think of an appropriate way, I must thank you for all your trouble and thoughtfulness!

I am looking forward to seeing you again with my wife in March.

My best regards to Professor and Doctor Rouché and with best wishes.

Yours sincerely
Marottam Subram
