My dear Madame Koeich,

It was exceedingly kind of you to have sent us a parcel of Kulu apples. The family is enjoying them very much and wishes me to convey their thanks.

We sometimes get news of you from visitors who have been up to Naggar. We hear that Jenka and Svobslav are going to America and that George too is thinking of leaving the valley. I hope you and Professor Koeich are not going to desert us also. I would like to take my son Arjun to Kulu sometime and it would be a great disappointment to me if you are not there. I wonder what effect mounting

will have on his mind, particularly  
Koeich mountains. I want to show him  
beautiful things and among them Nagas  
and Professor's paintings. He is now  
almost seven months old and is a big  
boisterous baby. And very self-willed too.

I hope you have had a pleasant  
season in Cuba. Please remember me  
to all the family and Dr. Yalovsky.

With my best regards

Yours very sincerely  
Sarah

My dear Madame Koerich

It is so kind of you to have given me your portrait. Very many thanks for it. Also for the apples which are really delicious. We were so sorry to hear that you have had high temperature. I hope you have recovered completely by now. It is a pity we could not see you last evening but I hope we shall have other opportunities when we come up to Vassar. We have been very fortunate in having you at our neighbours and we take away the most pleasant memories of our time here.

With our very best wishes to you & Prof. Koerich and all the family  
Yours very sincerely

My dear Madame Koerich,

Our greetings for the New Year to you and Professor Koerich and all the family. We had news of you from Derika to Suchostar and were very pleased to hear that you are all very well.

It was so kind of you to have sent us the cake. Thank you so much, we all enjoyed it very much indeed. It brought back a day of happy, and the pleasant afternoons spent with you.

We have been to Calcutta and Campore to attend my brother's marriage and have just recently returned.

We hear that there has been a light fall of snow already at Baggan.

With best wishes to you and Professor Koerich and Dr George. Kindly remember us to Dr Yalavich also.

Yours so sincerely  
Parvati Sahgal.
