My dear Mne. Roewich,

Your lovely flowers came just as the former ones were beginning to fade. Very many thanks.

It is just possible that my husband may be away on Friday, so would you both come and have tea with us either on Saturday or Sunday?

Hoping to see you then,
Yours sincerely,

Pierre Ser

Dear Mrs. Roerich,

It is good news to hear that George is fit again and I am sure, you too must be feeling happy to see your beloved mountains once again.

We shall certainly be delighted to come and have tea with you both on Friday.

As ever till then,

yours sincerely,

Pierre
