Dear Madam,

I am sending you three snaps -
one of you three - one of our
Grand-daughter - one my wife & Grand-
daughter. I hope you will please
accept them & let me know if you
like them.

We all are well here - & I am
preparing to take my month's leave -
but will not again visit Kulu
as it is very difficult to get there.
In fact to travel by the Bus my
wife would never be able to do the
journey. We hope to visit Kashmir
again as it is easy of access &
the life is quite pleasant there.
I often think of my climbing up to
Naggar to see you all - I took some
- via snaps (photos) of the snowy
peaks & will always remember
the very good scenery from
Katrie & specially from Naggar.
All are well here & hope you all are in
good health. Please remember me to
the Professor & to your sons -
with soon - his big J.W. STANTON.
