Dear Mrs Roerich,

I have read a few of the exalting books which comprise the Agni Yoga Series. Owing to the unavailability of these remarkably revelatory Teachings I find it impossible to obtain "Heart" both, 1st and 2nd editions, and "Sun".

I wonder if I may ask you to kindly send me these three books? Should you desire their return please acquaint me accordingly, and I shall do the needful. Thanking you.

Alas! how difficult it is to express the Heart-Life in a world sundered from reality.

Sincerely,  
Harold H. Shaw.
