My dear Mme Perich;

I have managed to come here for a few days before I sail for England so, if it is not a bother to you, I should love to come up to Naggar the day after tomorrow to see you all for a little. If the day after tomorrow - the 23rd - doesn't suit you could you let me know a date before the 29th as you know how much I should like to ~~see~~ see you all again. I shall walk up as I am not allowed to ride having cracked my knee caps; so will not be in Naggar till about 11.30 or so I believe, & will leave about 4 pm, so if you would tell me any hour in between those times I will come then.

I cannot say how I look
forward to seeing you, I hope
it will be possible.

yours affectionately
April.
