Dear Professor Bhattacharya,

I am most grateful for your letter of the 18th ult. It was privilege to see again my old friend Dr. Kalidas Nag who by his enthusiasm has instilled new life into our Kalimpong branch.

As soon as we shall have a sufficient number of students, we shall reopen our Language classes.

With best wishes, and hoping that this letter will find you restored to health,

Yours sincerely,

*G. Roerich*
