Dear Mrs. Vesugar,

I trust you will pardon my writing this letter on behalf of a friend of mine, Mr. R. N. Rahul, of New Delhi, who, I understand, has applied to you for a scholarship to enable him to proceed to Rome for higher studies in Tibetan under the well-known Italian scholar, Professor G. Tucci. I sincerely hope that the Tata Endowment will find a way to help him to continue his studies in this field, so vital for India in view of the ancient cultural and economic ties. Mr. Rahul has been on several scientific expeditions to the Himalayas, Tibet and Central Asia, and one could not find a more deserving candidate. Any assistance given to him will be deeply appreciated by all his colleagues in the Tibetan field. Thanking you once more for any help you could give him,

Yours sincerely,

Mrs Piroja J. Vesugar,
Director
