Dear Miss H e d i n ,

I thank you for your letter of the 28th September enclosing the photograph of Dr. Sven Hedin as well as for the two books received directly from Messrs Brockhaus-Leipzig. We are going to print with the JOURNAL and I shall be greatly obliged if you would kindly send me a list and addresses of persons to whom copies of this Journal should be sent for review.

Please transmit to Dr. Sven Hedin my cordial greetings and the enclosed short article on Tibetan Ethnography which represents my communication to the International Congress of Anthropology held at Paris last year.

With kind regards

Sincerely yours,
