April 17th 1933.

Dear Dr. H e d i n ,

I take the pleasure to send you an advance copy of our JOURNAL, Vol. III together with one reprint of my article dedicated to you. I shall send a dozen more copies of the latter as soon as we receive them from the printers. It was a great honour for our Institute to dedicate this number to you and we look forward to receive further news of ^{your} present great undertaking in the heart of Asia.

Believe me always to be

Yours very sincerely,

Director.
