Nov. 12th 1936.

Dear Mrs Mahon,

Many thanks for your letter which carried the good tidings of Colonel Mahon's recovery. We are certain that by now Colonel Mahon's throat and general condition are making steady progress, and he will be his former smiling self ere long.

I also wish to say that there will be no charges for Dr.Yalovenko's visit. Our hospital at home has made some rapid strides towards recovery the last two days and we hope the last vestiges of the recent indisposition will not remain in this house very much longer. I have not been to bed as yet and hope such will not be the case. Dr. Shibayev threatens to collapse every evening but the rays of the rising sun have a magic effect upon his otherwise robust constitution. The girls also had an attack but withstood the onslaught of microbes. We all hope to have the pleasure of seeing you some time in the near future and in the meantime we are sending you

and Colonel Mahon our best wishes.

Yours very sincerely,

My brother regrets it would be impossible for him to visit you on Sunday and therefore it would be better to postpone the visit.

I would greatly appreciate if you could give me the address of a good florist in Simla, and in Delhi.
