Kalimpong,

19th July, 1953.

My dear Friend,

I am forwarding through your local agent the following items:-

12 prints, 4 x 5.

Rs 102/- (see Bill, dated
23.6.53).

3 cine-films, developed.

Messrs Kodak.Ltd,Bombay, have
not sent me the covering bill.
Shall let you know on receipt.

I am also returning herewith the original transparencies. Please note that only one was found good. Nothing better could be done from the little transparency sent from Shigatse. Please keep the black paper on the prints, as this will protect the prints from deteriorating. It is suggested to make a block, size 12" x 8" (inches) in colour which would cost about Rs 600/-. One could then make prints as desired and in desired quantity. One thousand prints would cost several hundred rupees. To make the block one would require a good and sharp colour negative, size $2\frac{1}{2}$ x $2\frac{1}{2}$, taken with a Rolleiflex camera.

My expenses up-to-date were as follows:

Received	Rs 300/-
paid for 12 prints	102/-
cost of wooden box (bill enclosed)	248/-
One hand	----- 196/8/-

I got the book for Mrs B. Tering, and shall get the other books for you. I hope this letter will find you and your wife in the best of health. Please let me know about your plans. I am looking forward to seeing you in the autumn. Should you require anything locally, please do not hesitate to write to me. I am very busy with my work. More when we meet.

With all best wishes to Mrs Dele Rabten and yourself from my Mother and all of us,

Your friend,
