

Kalimpong.

26th March, 1956.

My dear Mr. Thang-me,

I am giving this letter of introduction to Miss Rigdzin Dolma, the daughter of a Mongol friend of mine who died in 1954. She is returning with her family to Tibet and is anxious to play her part in the national upbuilding of the country. May I request Mrs. Thang-me to take a kind interest in the girl, and advice her how to arrange for her studies in Peking.

I hope this letter will find you and your family in the best of health. I hope eventually to visit your beautiful country and thus have the pleasant opportunity to call on you and renew our friendship.

With all best wishes,

Yours very sincerely,
