

Kalimpang,

19th February, 1957.

Dear Mr. Wylie,

I must apologize for the delay in answering your letter of the 14th ult. Your letter came in my absence from Kalimpang.

I am very glad to hear that you have completed an Index of geographical names found in the text of the Blue Annals, and have no objections to its publication. Postal communications are subject to great delays due to the present situation in the Middle East, and I am afraid that the despatch of the copy of the index by boat mail will delay matters. Please note that g'ham-byah-thah on p. 256, line 13 from top should read Gam-pa-byah-thah.

Please remember me to Professor Tucci. The Roma Serie Orientale is publishing a book on the Amdo dialect by myself, and I would be grateful for a line from Professor Tucci.

Wishing you success in your work,

Yours sincerely,

( G. Roerich )
