Dear Mr. Chaudhuri,

Many thanks for your card of the 21st instant.

Dr. Hoffmann is at present in Nepal and I am unable to contact him there. I spoke to his assistant, Dr. Hamm, at present staying at Kalimpong. He suggested that the microfilm when ready should be sent to Dr. Hoffmann's address in Germany - ~~Am~~ ~~Sp~~ ~~erger~~ ~~strasse~~, 15 II, Muenchen, 13, West Germany. Could you do it? The film should be securely packed and sent by registered post. The bill could be sent to Dr. Hamm at the Himalayan Hotel, Kalimpong, West Bengal. Please add the cost of packing and postage. I should be grateful if you could kindly let me know the date of the despatch of the film. The Society's bill will be paid by Dr. Hamm. The above matter was mentioned by me in my letter to the General Secretary of the 19th instant. I hope he has received it.

Yes, I would like to buy S. Vidya's Sanskrit Grammar and Composition. The book was published by the Calcutta University Press. Do you <sup>know</sup> of a copy for sale?

Have you received my letter of the 6th instant? Please keep a complimentary copy of Blue Annals, Pt. 2, for Miss Chie Nakane, the Japanese Tibetologist, who will call for it. Please send me the bill for it minus the usual discount.

Thanking you and with kindest regards,

Yours sincerely,
