

The University of course gives 1
residential quarters to its staff on
10% basis. Apart from limited
teaching work one has all the
leisure for research work -

But of these details I shall
write more later.

With best respects,

Yours sincerely,

Dear Prof Roerich,

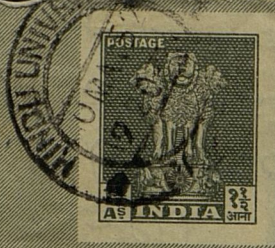

Many thanks
for your kind letter.
I am glad that you
are intending to organize
Tibetan studies in this
country and your visit
to the BHU will be
a significant step in this
direction. Sri Narendra

Deva Ji is gone to China as a
member of the Delegation.
As soon as he is back
I shall place your letter
before him and send
suitable reply.

So far as I know
there is a body of Tibetan
literature in the University
but it is a scattered book
to all of us. Perhaps
a preliminary visit by
you maybe needed.
At any rate if it is decided
to do a thing it will have to
be done even from a scratch.
