Dear Dr. Roerich,

Thank you for your letter dated December the 20th, 1948, in connection with Mr. R. N. Rahul. I have seen Prof. Tucci twice in connection with him. I can only put up Mr. Rahul's papers for the decision of the Trustees if Prof. Tucci is able to arrange for his entrance at the Rome University. From Prof. Tucci I understood that the offer made to Mr. Rahul is tentative, and unless things are finalised, I cannot very well move in the matter.

Mr. Rahul has asked for Rs 10,000/-, which appears to be too high, especially if Prof. Tucci is able to make suitable arrangements. Prof. Tucci's idea was that a far lesser amount should be sufficient.

As soon as I hear from Prof. Tucci with regard to the arrangements made for Mr. Rahul in Rome, I will place his papers for the Trustees' decision.

Yours sincerely,

Piroja J. Vesugar
(Mrs. Piroja J. Vesugar)
DIRECTOR.
