Dear Mr. de Roerich,

Many years have passed since I had the pleasure of meeting you at Nagar. Unfortunately I had no occasion of coming to Kalimpong in recent years and renew our acquaintance.

I am taking the liberty of writing to you to request your kind help in a Library matter. We have in Adyar Library a set of Kanjur and Tanjur which is complete except for one volume in the TAN GYUR (Derge edition 12 x 50) We are missing Tome 72 (Tibetan 181) Dharmamandala Sutra.

On the other hand we have in duplicate Vol. 65 (Tibetan 174)

Vairocanabhisambodhikurvitadhisthana Maha Tantra Vrtti.

Would there be any way of obtaining a copy of the missing volume by purchase or exchange.

We should be most grateful for any help you could give us in this matter.

With best regards and compliments.

Yours sincerely,

Alain Danielou
