

The Manor. 1

Dear Doctor George.

Yesterday, we went to  
Katraia to see the Tysons, & they told us  
that Mr. Seigel has gone straight back,  
he came up for an express visit, & is  
going back to see what he can do for us  
in Kulu.

We hear there is just a little dangerous  
talk in Naggar, & have been advised to  
ask the Panchayat Officer Chet Ram to see  
that this is stopped. I think if you write  
to him, it will carry more weight than  
if we did.

Last night & evening & winter, we had  
more sleep. Hope you are all alright  
& also had more sleep.

Yours sincerely  
R. Donald.
