My dear Dr George Sahib

I am quite safe and sound here, and hope that you are also enjoying and good health,

After few weeks I shall leave this place for Kullu. I am staying here only for a reason. I have bought some materials and as the money which I have got is not sufficient enough to pay the price, I am waiting for more money, if you would not mind, I see no other man than you to send me Rupees Two hundred by money order. I shall pay you back in the summer season this year.

A Happy New year to you all and good wishes.

I am your most abedintly

Lodha.
