Dear Dr. Roerich,

Just these few lines to inform you that the Chinese Class of Cheena Bharata Samskriti is going on smoothly. At present the number of students is eleven. All of them take a keen interest in learning Chinese. Most of the students live three or four miles from the town so these days we start the class at 4 P.M.

I should also like to ask for your kind suggestion whether we should close the class for the winter vacation as the rest of the schools in Kalimpong. If so, would it be not better if we close the classes from the 12th inst. till the 15th of January 1957 ?

I and the students of the Chinese Class request you to visit the class before it is closed for the winter holidays.

With kind regards,

Yours sincerely,

(Mrs.) S. King.
