

Hart in Amm Sept. 15th 1935.

Dear Dr. Roerich,

Thanks for yours of Aug 28th
just to hand.

I have not made much progress
with seed collecting as I have not
had enough time. But I will have
some ready and try to get it to
peiping before the 25th.

About the herbarium specimens
I should like to know if you
want more than one sheet of each
and how much you could pay.
I am sending it home and then I
get the names and about Sr. Crown 0.80
a sheet. The collection I sold to
H. S. A. I got U. S. \$ 0.25 a sheet. If
you are willing to pay that you can
have all you want of my summer
collection.

I think I have some of

your money on the mail a/2
left. But I have not had time
to look it up now but will
settle later.

Everything is well with us
and the family joins in best
wishes to the Professor and
all of you.

Very sincerely yours
Jed Eriksson
