Aug 11^e

Dear George-

Happy birthday. May the coming year bring you many of the events you have been wishing for. And as long as I'm wishing such nice things for you I'll put one in for Duge & me. May we meet before too many moons pass us by.

Our news continues about the same. It seems as though nothing changes and yet when I look back upon the past months many changes have taken place.

How is your work coming along. I always enjoy hearing from you and about you. We have had no mail from either Svetic or Devika. We do hope they are well.

Please tell your Mother that we are trying to locate the "blotting" botanical paper Svetic wants for his paintings. We are awaiting an answer to some firm near Boston that is supposed to handle it. It is not obtainable through any art dealers shop.

We have had the most uncomfortable muggy, hot summer. Will be so thankful when it passes.

Enclosed is a clipping I thought you might enjoy. I have not as yet seen the pictures but hope to soon.

Again my very best wishes and thoughts

for full, new birthday year.

Kindly remember me to the girls and give my love to your Mother. You helped us over many days of worry by your kind letters telling us of her condition. Thank you ever so much for doing so.

Again wishing you a very happy birthday -
Sincerely
Katherine.

of your n
Dear George;

Thank you for your letter - I am writing these few lines, in place of a Christmas card. Please know my love and thoughts will be very much with you and the girls, as well as Levette.

At this time there is so little one can say, except to let you know you are very much in my heart and thoughts.

I do hope, the coming year may give us the joy of meeting again, somewhere, please do not feel you

need to write or answer
 me, personally. You already
 have so much to do. Just
 include what ever you wish
 to say - in your letters to Sima:

In loving thoughts with you,
 Katherine -

p.s. please just tear up the check
 if you do not wish to use it
 now.
