Dated 18th May 1956.

Respected Sir,

I have not heard from you for a long time. Let me hope that you are doing well. I learn from Prof. N. Datta that he has also not received any reply to his letter. I am really anxious to learn about your health. Kindly send me one copy of your letter to be sent to Prof. Datta. Probably I am going to the N.E. F.A. (Assam) next week. If ~~the letter~~ the tone is postponed I may go to Kalampong in the month of June.

Sri Biswanath Basu ~~also~~ lectures your university who is working on the Kalampong - Dutt with me and a student of Dr Datta is going to Darjeeling for a few days on some India Govt. business. He may also go to Kalampong to see you. Of course he

will ~~cancel~~ ^{make} all appointments previously
by telephone.

I am doing well. Kindly write me
about your health and welfare. I am
really anxious. Hope to hear from
you an early reply.

With best regards.

Yours affectionately
Eden
