Dr. George N. Roerich,
Kalimpong.

Dear Sir,

I am glad to inform you that our Sabha has decided to publish a monthly journal in English under the title "the Lumbini" with the object of bringing about a revival of Lumbini and Kapilavastu and strengthening the cultural bonds between Nepal and the Buddhist world.

The first issue of this journal will come out in January, 1952. May I request you kindly to contribute an article of about 800/1000 words on some suitable aspect of Buddhist philosophy, history or culture for being included in this first issue of the journal. As the time at our disposal is very short, I hope you will be pleased to send the article in about a week's time.

I also hope that your kind co-operation will ever be forthcoming in making our journal a success.

Yours in the Dhamma,

K. Mahanama
