To Prof. G. Roerich, M.A., Ph.D.

Kalimpong
Darjeeling

Dear Sir,

Your letter dated the 2nd July '53 encourages me much to be in your close touch, what, I think would be much helpful for my studies. Sr. Dutt, my professor, is also very glad and thankful to you for your kind letter to me.

For some important piece of business I cannot go off from Calcutta upto the end of the third week of this month. I shall try to go to Kalimpong in the last week of this month.

As regards the books you suggested I have two copies of Tibetan Grammar one of Mr. Bell and, another of Mr. Cooma, and ^{one copy of} Photoprakāśa. And, I have bought a copy of Jäschke's Tib.-Eng. Dict. presently.

I hope to meet you soon.

With my respect and
best wishes.

yours faithfully
S. Pahari

I hope, our Samaji is well there. I received
his letter that he does not like to go to Assam.
I hope, you know what is the proper situation.

My uncle, Principal D.C. Chalgejee wants
to send his edited books *Hetusatropadesa* and *Maha-
vyatpatti* to you. He asked me what to learn from
you whether you have those or not! If you have
then it would be redundant. I told him that you
have *Ho Hetusatropadesa* (C. U.), I do not know ^{exactly}
whether you have *Mahavyatpatti* or not!

With my best regards: Hope you are
keep ~~as~~ well. My respect to your mother.

yours affectionately

DARTFILLING

Dear Sir,

I am glad to receive your letter dated
the 21st May 1955. I am very glad to learn that you
are studying with two students about ^{3:27:21:21:21} |
I am passing my days ~~on~~ with uneasiness for our
trip to Assam has been cancelled. Nor, I find ~~often~~
opportunity to go to you. I am working at Asiatic
Society regularly.

I think, you have already learnt that
India Govt is ~~now~~ thinking to ~~make~~ establish an
institute for ~~the~~ Indo-Tibetan ~~the~~ Research Studies
at Kalimpong. I learnt it from newspaper. Dr. Lay,
the Chief Minister of Bengal went there for primary
investigation. If it be so, then I would exclaim
that your dream ~~and wish~~ is going to be
fulfilled. I still ~~remember~~ remember your opinion;
"Kalimpong is the proper place for Indo-Tibetan Studies."
Now, I also feel the same thing. Unless we come in
close touch of Tibetans it is all useless to cram
the Tibetan vocabularies.

I think, you have seen also the
article of Rev. P. M. Miller "The Phonemes of Tibetan" (K-teang
Dialect), published in the Asiatic Society Journal (K
(Ketter) vol. XVII, 1951. No. 3.

Another one thing, I like to learn from you
that what is the present condition of "Kusuwati Research
Journals." Some scholars want to learn it. And, have
you got any ~~find~~ catalogue of publications of the
Kusuwati Society.

I am eager to learn about your grammar
and dictionary.
