Reverend Roerich,

Reverend your kind note today.
From it I came to learn that your plan is
already sent to me. But I have not yet read
it yet.

However, ^{though} without your paper it is difficult
for me to render you all possible help. yet,
let me request you to meet Sri S.M. Ghosh M.P.
(West Bengal) with my letter and have his help.

May God bless you in your
best attempt. very best regard to you.

Yours truly
