My dear Dr. Roerich,

I have just returned from the Upper Sutlaj. It was very pleasant journey and greatly helped my health. I have not yet decided about the place in the Himalayas where I can spent my Summers. I heard that in the ~~Kot~~ Kullu Valley there are some residensial quarters available for Sale. Is it so? When are you returning to Naggar? What is your future programme. I am busy with the work of compiling Hindi terminologies for the Scientific terms.

Sincerely Yours
Rahula Sankrityayana

My dear Dr. Roerich,

Received your letter. Many thanks for your suggestion about the treatment of the diabetes. I am very careful and purposely avoiding Insulin. The Himalayas do good for me.

I think very soon Kulu valley will return to normal. The menace of Pakistan will not last long and the economic life of the valley is bound to be improved. For the time-being if the activities of the Institute are shifted to Kalimpong or Gantok, there is no harm. But, I do not think you can get a better place for the work.

Anyhow, if you shift the Institute to some other place, my co-operation will be always there.

But I have decided for the western Himalayas. This year I am going to Ani on the Simla-Kulu road.

Yes, you should invite Dr. B.C. Law & Prof. S.K. Chatterji. Another name which I have to suggest is that of Pt. Kshetresh Chandra Chattopadhyaya of the Allahabad University, whose interests are in Indological studies are as varied as deep.

In a monastery in village Lippa (Chini Tahsil) they have got already new Kanjur from Lhasa and Tergi edition of Tanjur is on the way. There will be no difficulty in getting these collections and even taking loans will be possible.

It is eight days journey from Kalka to Lyopa.

At present I am present with the Administrative Dictionary of the Hindi Sahitya Sammelan which is just coming out of the Press. After the publication of the work we are going to take the big task of preparing Technical Dictionary of all the Applied Sciences, Fine Arts, Philosophy and Sociology. We also intend to prepare Russian text books with Hindi. But the difficulty is about the Press. If somehow or other a Russian typewriter can be

My dear Dr. Roerich,

The above is now my permanent address. I have purchased this house and since last month I am living here. Many thank for "The Blue Annals". How is Mother and all family. Convey my best regards. Here in my neighbourhood - which is very calm & quite a mile from the Shopping Centre - there are some very decent & cheap (Rs. 60 to 70 Rooms) rupees houses. I don't know if you require any; but my work is going well.

My dear Doctor,

It is long time since I did not receive any news from you.

Three of my important works: "बौद्ध धर्म के हजार वर्ष" (A thread of Buddhism in a world), "तिब्बत का इतिहास" (A history of central Asia 2 vols) and "हिमालय परिचय १-२-गढ़वाल-कुमाऊं-लद्दाख" are still in the press, ab are wholly printed, but owing to laziness or carelessness of the publishers they are still kept there.

You will be pleare to hear, that the Sanskrit text of the Bhashya of Pramana vartika (by स्व. राहुल सांकृत्यायन - पटना) has been printed by and Jayaswal Institute, Museum, Patna is soon going to publish it. Some other Sanskrit Mss. of Tibet are also in going to be publish by the same institute. Along with Sanskrit, I brought several hundred of Tibetan Mss., some of them have historical importance. The Institute, its director Dr. A.S. Altekar and Bihar Education secretary Sri J.C. Mathur I.C.S. are taking more than ordinary interest in these works. I do not know, if you have time, to take the translation work of some of the important Tibetan Mss. dealing with the Tibetan history.

I am preparing to write a romance of the famous Indian traveller and scholar Narendra Yasha (born 518 A.D. at Udyana, and died 589 at Chang-an, china). He travelled up to Ceylon in the south, then in 551 he left his homeland for China. After entering Sing-kyang, he found the way to China blocked (the incessant war between Juen-juen (Avars) and the Turks), so instead of going East he walked towards North in the eternal homes of nomads. and five years he roamed in the felt tents of Turks, and Avars, and reached the big lake Nia (or present Baikal). After the road was over he went to China, and first settled in Yeh (the capital), for twenty years (557-77), then revolution and reaction forced him to hide for 3 or 4 years, till the Suis established and a new dynasty, which united china. from 581 to 589 Narendra lived in the capital city of Chang-an.

He translated several Mahayana sutras in to chinese.

My dear Dr. Roerich,
I have two copied MSS. of [illegible] with me here. If you want to have any use of them, I can send them to you.

As an information: There is a very fine two storied bungalow, with five flush bathrooms a dozen rooms for sale here just next door. Owing to fall of prices, and also to Anglo-Indian ladies - the owner - condition they are ready to sell it for 25000/-. My "History of C. Asia" is lost in very slow progress, that also in II volumes. I love to find out another publisher as the first one is in difficult financial condition.

Please convey my best regards to

My Dear Dr. Roerich,

I reached here on the 13th, according to plans. more than hundred delegates came from different part of the world. I was very pleased to see my friend Geshe Sherab Gyamcho, who is the president of All China Buddhist Association, and the leader of the delegation consisting more than a dozen Buddhist. I had long talk with him about the research & editing of the texts. Today I am again going to see him.

There are two Buryat Lamas from USSR. the elder is Geshe Dorje, very polite & pleasing simple personality, who can talk a little Russian, and no Tibetan. They wanted him to speak to. He asked me about it I told him what was proper for the occasion. Dr. Mahaseshan, announced that I will translate the speach. Of course I did, but as you know, I do not know even the B.C. of Nepali. Of course there were difficulty, but it worthwhile.

I will leave Kathmandu on the 21st, for Lumbini, and in the same day, I will catch the railway, I am not sure, but it is possible that I may visit Jetavana & Kusinara, before going to Allahabad. Please write to me here (Care Dr. B.N. Prasad, Lauther Road, Alld).

Please continue the translation, we have to finish it by this winter. Let know the progress of the stupa.

I am quite well, children & wife went to Mussoorie from Benares. Greeting to Raya.

Sincerely yours
Rahula Sankrityayan

My Dear Dr. Roerich,

To day I reached here. I was invited by the above Association for two months. I will try to get permission for my Tibetan research. Perhaps I wrote about it. I have a great mind to come to Moscow, and we both finish the translation of Pramāṇavārtikam. I do not know how for it is possible. Try, and arrange for the invitation from the Academy. If it is possible, send a wire to the above address.

More afterwards.

प्रिय डाक्टर साहब,

आपका पत्र मिला । संस्मरणके लिये निम्न पंक्तियां भेज रहा हूं:—

देवी एलना रौयरिकके बारेमें तरह-तरहकी बातें परिचय न रखनेवाले लोग कहते हैं । यह ठीक है, कि वह एकान्तप्रिय महिला थीं । ~~ध्यन~~ ध्यान-साधना और दर्शनकी ओर उनकी विशेष रुचि थी । इसी कारण वह मितभाषी ही नहीं, बल्कि कम मिलती-जुलती थीं । पर, मिलनेपर उनके स्वभाव और उनकी बातचीतको देखकर कोई आदमी अत्यन्त प्रभावित हुये बिना नहीं रह सकता था । पहली बार मुझे उनके दर्शनका सौभाग्य १९३७ की गर्मियोंमें हुआ था — आजसे बीस वर्ष पहले । ~~कुल्लूकी मन्त्रिकामे~~ कुल्लू-उपत्यकामें नगर बड़ा ही रमणीय स्थान है । वहांका उरुष्वती आश्रम तो देवदारके घने जंगलोंमें होनेके कारण और भी जादू जैसा आकर्षक मालूम होता था । महान् कलाकारने इस स्थानको पसन्द करके अपनी सुरुचिका परिचय दिया था । उस समय देवी एलना, महान् कलाकार और उनके दोनों योग्य पुत्र — डा० जार्ज रौयरिक और चित्रकार श्वेतस्ताव रौयरिक — वहीं मौजूद थे । मुझे दो-एक दिन रहनेका अवसर मिला, और कामके कारण चला आना पड़ा । देवी एलनासे ~~भोजन भोजन~~ का भोजनपर ही दर्शन हुआ । उनके देखने हीसे मालूम होता था, कि चारों ओर आनन्द और प्रसन्नताका वातावरण फैला हुआ है । मैं इसके बाद ही रूस जानेवाला था, इसलिये वह वहांकी ~~बातें~~ कितनी ही बातें बतला रही थीं । और साथ ही विशेष भोजनकी भी प्रशंसा करती हुई उसे मेरी ओर बढ़ा रही थीं । उस समय भी उनकी आयु साठसे ऊपर रही होगी, लेकिन अवस्थाका पता केवल उनके श्वेत केशोंसे ही लगता था ।

फिर उससे बारह ~~ब~~ वर्ष बाद उनके ~~दसमु~~ दर्शन हुये, और यही अन्तिम दर्शन था । १९४९ में मैं एक वर्ष कलिम्पोंगमें रहा । इसी साल डा० जार्ज रौयरिक

अपनी पूज्य माताके साथ वहीं रहनेके लिये आ गये । महान् कलाकार अब जीवनगत हो चुके थे । अपने प्रिय तथा यशस्वी पतिके चरम विछोहका प्रभाव देवी एलनाके ऊपर पड़ना जरुरी था । पर, उन्हें अपने ज्यैष्ठ पुत्र जैसा मातृभक्त पुरुष मिला था । इस समय मुझे और भी उन्हें नजदीकसे देखनेका अवसर मिला । कितनी ही बातोंपर चर्चा चलती थी । रूसके प्रति अटूट प्रेम और रूसी जातिका उचित अभिमान रौयरिक-परिवारके नस-नसमें भरा था । बोल्शेविक-क्रान्तिके परिणाम-स्वरूप उन्हें अपना देश छोड़ना पड़ा । किन्तु वह कभी रूस-विरोधी नहीं हुये । उल्टे रूस भूमिसे दूर होनेके कारण उनका प्रेम और सौहार्द कई गुना बढ़ गया था । दुल्लूकी बात मुझे याद आती है । उसी समय एक सोवियत विमान इतिहासमें ~~पहले~~ पहली बार रूससे उत्तरी ध्रुव पार कर अमेरिका पहुंचा था । सारा परिवार उसके लिये हर्षोल्लास मना रहा था । देवी एलना भी उसमें शामिल थीं । सचमुच इति-हासमें रूसी जाति एक अद्वितीय स्थान रखती है । पिछले ढाई हजार वर्षोंका इति-हास साक्षी है, कि यह जाति सदासे अदम्य शूरवीर रही है । स्वतन्त्रताके लिये सब तरहकी कुर्बानियां की है और शत्रुओंके मनोरथको सफल होने देना उनके बसकी बात नहीं थी । रूस या सारी स्लाव जाति प्राचीन शक जातिकी सन्तानें है । ईसा-पूर्व पांचवीं-छठी शताब्दीमें शक दन्यूबसे ह्वांग हो तक फैले हुये घुमन्तू थे, इसलिये इतनी विस्तृत भूमिमें फैल सकती थी । पारसीक सम्राट् कौरोशने पूर्वी शकों-को दबाना चाहा । वह मध्य-एसियामें सिर-दरियाको पार कर उनकी भूमिमें भी पहुंच गया । पर, इस विश्वविजेताको अपने प्राणोंको खोनेके सिवा कुछ हाथ नहीं लगा । उसके यशस्वी उत्तराधिकारी दारयौशको पश्चिमी शकोंके सामने भी असफलता स्वीकार करनी पड़ी । मुझे तो इतिहासमें कोई समय नहीं मालूम होता, जब कि इस जातिने अपने इस गुणको खोया हो । मंगोलोंके समय अधीनता स्वीकार

स्वीकार करना थोड़े ही दिनोंके लिये हुआ । और उसमें भी उसे अपनेको एकताबद्ध करनेके लिये बड़ी अच्छी तरह इस्तेमाल किया ।

पिछली दो शताब्दियोंमें कला, साहित्य और विज्ञानके क्षेत्रमें रूसी जातिकी देनें अद्वितीय हैं, जिन्हें कहनेकी आवश्यकता नहीं । अपनी ऐसी जाति और इतिहासका अभिमान न करना आश्चर्यकी बात होती । देवी एलना रूससे बाहर थीं, बाहर ही हिमालयकी गोदमें — कलिम्पोंगमें — उन्होंने शरीर भी छोड़ा । पर, रूस हमेशा उनके सामने रहता था । शायद हिमालयके शीतल स्थानको देखकर उन्हें रूसका कोई खण्ड याद आता था । वह

वह आध्यात्मिक और धार्मिक रूसी रुचि रखनेवाली महिला थीं । पर, संकीर्ण अर्थों में नहीं । उनके सबके प्रति स्नेह और सौजन्यको देखकर याद आता था एक बोधिसत्वका परोपकारमय जीवन । यदि यह न होता, तो उनकी साधना और विचारका फल क्या था ? उन्हें प्राच्य संस्कृतिसे भी बहुत प्रेम था । और इसीका परिणाम था, कि शरीर छोड़नेपर उनको दफनाया नहीं, जलाया गया । उसकी अर्थीको उठानेवाले कलिम्पोंगके बहुत से बौद्ध और दूसरे नेता थे । उनके स्मारकके तौरपर पुत्रोंने एक सुन्दर स्तूप निर्माण कराया । यह उनकी इच्छाके अनुकूल ही हुआ ।

एलना देवी ऐसी महिला थीं, जिन्हें देखनेवाला, थोड़ा भी परिचय प्राप्त करनेवाला कभी भूल नहीं सकता । वह अपने शील, रूप और गुणोंमें मानवी नहीं, देवी मालूम होती थीं । अर्थात् लोकोत्तर मानवी ।

My Dear Dr. Roerich.

On 9th Nov. I returned to India. My wife & two children also went to China after hearing the news of my heart attack. In Nov. last I was also attacked by typhoid. Now my health is normal. You will pleased to here that my book "History of Central Asia" (Hindi) was considered the best book of the year in Hindi by Sahitya Academy. Now I was compiling a Tibetan Hindi Dictionary for the Academy, hope to finish next year. In the mean time I want to revise & my Sanskrit Tibetan-Sanskrit Dictionary if some publisher or institution is ready to publish it.

Heart attack is a warning I know, so I don't want to leave any work unfinished.

It is great pleasor to here that works of so many years and hard labour are coming out very soon. I hope your uhique scholership of Tibeten laguage and literature,also of mongol and Indology will be fully utilised only there . After the departur of akademik Stherbatsky the Indo-Tibeten researches were very down. I hope and am sure that the scholorship of your country is going to take its first place.as it was in time of Mineev and Stcherbatsky . I am happy to here ,that Bibilothica Buddhica is going to be revived. It8s cultural v value also scientific value is great. We must fix the qouta o of translation of P.V., if it is to be compleated in a reasonable time. I did not see your momnograf on Amdo dialect. we have got some publicition of Tucci,but not ypur monograph. I wrote to Dr. Altekar about Chag Lochavai namther,and again goihg to write . They are un.necesarly slow . Gunaprabha's vinayasutra,edited by me,was compleatly printed by 1947,but it is yet not published .

Gangtog institute is functioning,so I heard, but what they are doing ,I did not here. Sahitya akademy people asked me to write a substential article for Ravindra centenery,but I have not the necessery meterial here. If you can spare some time for it I can write them.

My health is not bad,diabetise is old companion for which I am taking daily German pills, heart is not troubling me now-a days.

With greetings to all,

sincerly yours

My dear dDr. Dr. Roerik,

Excuse me, for disterbing you . The first ens tallment of My Tibeten dictionery is going to the press (Buptist Mission) next weak. They sa say, it will take four years to comleat it . I want to finish the press copy by the end of April next . When the proofs come, I will send a copr of it .

Beside the teaching of philosophyI am doing some researeh work too. It is, for the present the devolopment of the Sinhalese langua ge and alphabates .

some years back , I had an idea to bring out a by_lingual (Sanskrit and Tibeten)taxts of the five great taxt_books, which are tought in Depung and other Tibeten gonpas . " Madhyamak~~k~~ avatara is not available in Sanskrit, but it can be replased by M. karika . Is it possible to bring it out, through Bib.Bud. ?

The climate here is worm, but there is no

My dear Dr. Bronckhorst,

Perhaps you did not receive my letter.

My work is going on. 1/6 of the Tibetan Hindi Dictionary is sent to Calcutta. I think at present copy will be complete by April or May next. I wrote two letters to Dr. Alekar. Now Dr. Alekar is no more. He suddenly died at Patna on the 25-IX. I will write to Sinhalese again after some time.

Sahitya Akademi is bringing out a memorial volume for Tagore centenary. They want me to write an article about Tibetan studies. I wrote to you in my last letter. Perhaps you are too busy. If there is any literature about the subject in Russian, please send it at once. Russians were first in the field so must give some information
