Khyelang,

30th August, 1931.

My dear Professor Sahib,

- I am a bit late to send you
1. a very brief note on Cancer, a vast vast disease, both in Surgery and medicine, grievous and incurable at the same time.
 2. Photo of Jawala Mukhi temple at Jabwalamukhi about 24 miles from Kangra South side. promised by me at your kind tea time on our previous meeting. For the delay, I am to be excused.

Hoping you all happy and healthy.

Any service will much oblige.

Very sincerely yours.

Sardar Singh
