DATED CALCUTTA, THE 24th April, 1956

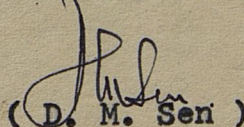

Dear Dr Roerich,

Many thanks for your letter dated the 28th March, 1956.

I shall have the names suggested by you for the examined post of Lecturer in Tibetan/by our Selection Committee.

I am personally interested in setting up of a Indo-Tibetan Institute in Kalimpong. As <sup>the</sup> Govt. of India is also involved, it may take a little time to get the Scheme through. I shall be thankful if in the meanwhile between Swamiji Maharaj and yourself, you could let me have a Scheme for the Institute as your suggestion. Mrs Pratima Tagore was willing to lease her house for educational purposes like this.

Yours sincerely,

  
( D. M. Sen )

Dear Dr. Roerich,

I enclose herewith a copy of a demi-official letter from the Ministry of Education, which is self-explanatory.

I am sorry to have troubled you in vain for the proposed project.

Copy of a letter No.F.33-30/54-A.1 dated the  
13th August, 1956 from Shri T.S.Krishnamurti,  
Ministry of Education, Government of India  
to Dr.D.M.Sen, Secretary, Education Deptt.

... ..

Will you kindly refer to your D.O.letter  
No.S-8/755 dated the 3rd August, 1956, addressed  
to T.S.Bhatia, regarding the establishment of an  
Institute at Kalimpong for the study of Modern  
Tibetan and Sanskrit languages ?

2.I write to say that in view of the fact that  
the Bhota Bharata Samskriti is already running  
some centres for teaching Tibetan and a Research  
Institute in Tibetology has recently been  
established at Gangtok, it has been decided not to  
establish any another institution at Kalimpong.  
The matter is, therefore, closed as far as we are  
concerned.
