Dear Sir,

I have read your article on Buddhism in Mongolia in the Wesak number of The Buddhist. I am compiling a small work giving details of approximate number of Buddhists, temples, monasteries etc., in various countries, and I should appreciate it greatly if you could help me with the following questions:-

- 1. Approx. number of Buddhists in/Mongolia - laymen and monks. Outer
- 2. Number of monasteries occupied.
- 3. Number of monasteries ruined or unoccupied.

Forgive me for bothering you with this small matter, but this information is most difficult to obtain in the United Kingdom.

Yours faithfully,

Margaret Stutley

(Margaret Stutley, Mrs.).
