Dear Dr Roerich,

This is to thank you and your mother for your kind hospitality when I visited you at Kalimpong. I spoke about you to Dr Bagchi and he certainly remembered you and we are all looking forward to your visit here. Hope you can make it in near future. Our work here is going on in full swing and amidst great enthusiasm.

I am enclosing a recent article of mine just to give you an idea of the nature of our work here. I hope you may find a little time to read it.

With namaskars to your mother and yourself,

Yours sincerely,

Amilendranath Tagore
