Dear Dr. Roerich,

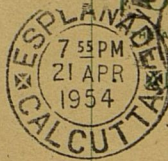

Some time I received your letter which was forwarded to the office for necessary action. I remember you asked for particulars of a Sanskrit grammar.

Do you want to purchase a copy? I understand Dr. Hoffman is with you. I have already informed Dr. Roth (Patna) re: microfilm copies of some mss. in the Library of the Society. They will be ready by the 1st week of May, 1954. Cost will be about Rs 90/-.

with kindest regards,

Yours sincerely,

S. Chaudhuri

Dear Dr. Roerich,

I received your letter dated the 24th June 1955 and have arranged with the Society to send a set of your book (Blue Annals) to the Institute of Oriental Studies, USSR. I hope they will receive the set in due course.

I hope you will remember the Tibetan Bibliography sent to you in 1954 for your opinion and suggestion. I have made necessary additions as suggested by you and have now decided to submit this for publication. I now require a formal opinion from you regarding the bibliography (addressed to the Secretary). The opinion should contain (i) ~~mentioning~~ its utility (ii) to be published as an extra-number to the journal in one instalment, contg. (i) author index (ii) subject index

I would also like to have an introductory note to the bibliography from your pen regarding Tibetology with special reference to its relation to Indic Studies. You may send it along with your opinion or at a later stage, but this may kindly be mentioned in the Secretary's letter. I hope you will go thro' the German Russian title in the prospectus (and this fact may also be stated in your letter) as you so kindly stated in your earlier letter. For this act of your kindness, I am grateful to you.

We are eagerly expecting for your Tibetan grammar, which I understand, is in course of publication. Do it for classical or modern ?

With best regards,
yours sincerely,
S. Chand

Dear Prof. Roerich,

I shall be glad if you kindly let me know the year of your birth. I think you will remember that you agreed to supply me a list of articles published in USSR on indology in 1953, ~~which~~ which has not yet reached me. The indological bibliography for 1953 has already been published. However I want to include it in the volume for 1954. I would therefore request you to send me the materials for 1953 and 1954 for which act of kindness I shall remain thankful to you.

With kind regards,

Yours sincerely,
S. Anand hri
