

No. 25 / 55MP/56.

From: Shri S. A. Shere,
Curator, Patna Museum,
Patna.

Dated the 12th January, 1956.

Dear Sir,

The Rev. Rahula Sankratyana has suggested that you might help us in identifying and explaining the Tibetan Banners housed in this museum. You may be aware that Rahulji had presented these Banners numbering over 150 to the Patna Museum some years ago. It is desirable to bring out a short Guide-Book illustrating some of the good specimens .

Will you therefore kindly help us in complying with the request ? In case you agree to help us in the matter, I shall send you the necessary photographs. I hope you will not deny us the favour of helping me in the matter.

Yours faithfully,

S. A. Shere
