Sir Geoffrey Corbett,  
Simla.

Dear Sir,

I am enclosing herewith a Check for 400 Rupees covering Life Memberships for my son, George, and myself in the Himalayan Club. We shall be pleased to comply with the various suggestions in your letter, very shortly.

In regard to the Seconding of our nomination for membership, the letter which we brought from Mr. Laden La will answer this purpose.

Anticipating the pleasure of meeting you again and with cordial greetings, believe me,

Sincerely yours,

Dear Sir,

As you suggested I am enclosing herewith ten Photographs from our Expedition. I regret that we have no others at hand but I shall be pleased if these will be useful for your purpose. You are quite welcome to keep them in the files of the Himalayan Club.

I recall with pleasure our conversation with you and I hope I shall have the pleasure of seeing you again and discussing the subject of the Himalayas--which is of such mutual interest. As we are leaving for Darjeeling tomorrow I should value having the Membership Application Blanks to-day.

With sincere greetings from my son, George, and myself, believe me,

Very truly yours,
