My Are letter*

23-APR-37

My dear Katherine,

With respect to the 56 paintings, of which three were the larger ones included in the September 16th shipment and 53 were the smaller ones among which were the "Album Leaves" being those contained in the shipments of June 6th, August 29th and September 9th, and together being all the paintings now remaining in your possession after the delivery of 11 paintings sold to Mrs Sutro (1 large and 10 small) and exclusive of the 3 paintings (which were gifts from me as heretofore directed) I request you to deliver them to Arsuna Gallery, c/o Mrs Clyde Gartner, Tulsa, Oklahoma, or to such other address as Mrs Clyde Gartner may give you, such delivery to be at the expense and risk of Mrs Clyde Gartner or Arsuna Gallery and I expressly relieve you of any responsibility respecting the collection of the purchase price of said paintings or any of them, all the arrangements concerning the same having been made by me with Arsuna Gallery and Mrs Clyde Gartner myself. I have also arranged with Arsuna Gallery and Mrs Clyde Gartner to effect insurance on the paintings in transit from you and thereafter, and it will therefore be unnecessary for you to effect any such insurance.

You have advised me as to the paintings selected by Mrs Sutro and which were delivered to her and I expressly ratify and confirm that transaction in its entirety.

With best wishes

Yours very sincerely,
