1919

Dear Mr. Pollock,

I shall be much obliged if when you are in London, you will apply for permission to be granted to me to come to England with my family.

I am invited to give an exhibition of my paintings at the Leicester Gallery, which is impossible without my presence, and I am desirous of ~~give~~ obtaining for my

Sons the possibility of
completing their education in
England. ⊕ — ⊕

As vice president of the
Russian Committee at
Viborg I need hardly say
that I am opposed to the
bolshervik regime in
Russia with all my
strength. I left Russia in September
1917 and have since been living in Finland.

⊕ I am amply provided with
funds for the purpose of
our projected stay in
England. ⊕

I am a member of ^{the} Anglo-
Russian Literary Society
