Dear Professor,

My wife and I are grateful to you for the kind treatment meted out to us during our short stay at Naggar. We wish we could have stayed there longer and enjoyed your pleasant company but official work stood in the way and we could not extend our stay at Naggar. I can assure you that we really enjoyed your work and it was a great pleasure to visit your art gallery. I wish I could ~~cccc~~ repeat this visit.

With kind regards,

Yours sincerely
Abdul Kader
