Dear Prof. Roerich,

Please accept my sincere thanks for the valuable and beautiful work Himalaya, which will be a cherished possession in the Institute.

I am glad to inform you that you have been elected a Life Member of my Institute. An official Diploma will be sent to you after my return to Calcutta.

I am also willing to be an Honorary Advisor to your Institute.

I am eager to see the marvellous painting, which you have made for my Institute and which will occupy an honoured place in it.

Our stay in Darjeeling is rapidly drawing to a close, and we should be happy, if you and Madame Roerich could give us a call and have tea with us on Thursday at about 4 p.m.

Yours very sincerely

J. C. Bose
