Dear Friend:

We acknowledge with grateful thanks the receipt of your beautiful brochure on 'Joy of Art'. We shall be pleased to review the booklet in THE VISION as early as possible.

Of late we have not been receiving any contributions from your goodself for THE VISION. We request you therefore to kindly continue sending us some of your inspired writings on Philosophy & Religion for THE VISION at your early convenience.

Swami Ramdas is quite well and busy with the completion of our Ashram school - Sri Krishna Vidyalaya - for poor boys and girls of this locality. We have now 76 pupils in the school. And by the grace of the Lord we hope to bring the Vidyalaya to a good working condition with a strength of 120 pupils.

Trusting this will find you also in good health and spirits, with profound love:

Ever yours in the Lord,

S. Balasubrahmanyan
