My Dear Prof. Roerich,

Many thanks for your letter dated
the 26th October. I note that you have no
painting in hand at present to be presented
to our Library. I am thankful to you for
agreeing to keep in mind our request and to
send us one when it is possible. We shall
be looking forward to receiving your valuable
gift.

As regards the previous correspondence
about the paintings in the Vihara, as far as I
remember you offered to paint a portion of
the Vihara and not to present a painting for
our library. If it was the latter we would
not have failed to accept it.

Thanking you again and trusting you
are in the best of health.

Yours sincerely,

J. Valisinha
