Dear Professor Roerich

Often while you were away, I wanted to write and tell you I did not feel I had the right to keep the old Tibetan ring you sent me earlier in the season. I have not earned it, and can not honestly keep it. You see it is this way, rarely ever do I go to New York now, and here I have many responsibilities, too many to take up any thing new. There is therefore nothing to warrant my keeping this most curious old ring.

Am soon off to California, and should either you or your son be out there, this winter - please let me know.

It would be a pleasure to see you. My address will be Pebble Beach, California.

With real appreciation of your kind thoughtfulness and with many remembrances

sgd. Hannah Neil Wheeler

(Mrs. Charles Wheeler)
