Simla.

Dear Professor Roerich,
re Hillside.

I have your letter of the 25th inst. and at the same time I have been authorised and instructed to negotiate for the sale of the above premises by the Proprietor. After taking into consideration the great improvements effected by the proprietor he considers the premises are worth at least Rs70,000/-.

As a matter of fact he tells me he was offered Rs80,000/- before. Are you prepared to negotiate on this basis, if so, make me an offer and I will see what can be done.

R.

Yours sincerely,

J. W. Wrangham-Hardy
