Dear Professor Roerich,

Enclosed you will find a copy of my Review which I wrote in connection with the Monograph on your art for the Maha Bodhi Journal. It will be printed in the course of next months, probably, and appear in the August issue of the Journal. If you should like to have a number of extra prints it would be ^{the} best if you would apply directly to the Editors, M.B.J. If any daily paper or any foreign monthly (in fact any periodical which does not clash with the Maha Bodhi Journal) would like to publish this Review, I have no objection. It is entirely at your disposition.

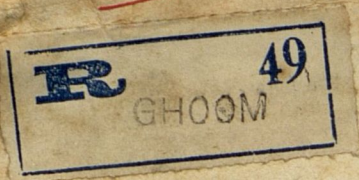

It took some time before I wrote, because I have too great a respect for your work and the ideals for which it stands, to write lightly and superficially about it. So, I hope, you will not mind the delay. Your Monograph will always be a source of joy to me.

With my best wishes and kind regards,

Yours in the Dharma

Anagarika Govinda
