Professor N. K. Roerich,  
"Hillside",  
Darjeeling.

Dear Professor Roerich:

As you may be interested in following out more in detail the theory of the Indian origin of Christ of which I spoke to you I am taking the liberty of sending you copies of the INDIAN SOCIAL REFORMER in which the matter was first worked up.

We are still under the spell of your art and greatly appreciate having had the privilege of meeting you.

Very sincerely yours,

ELK:EBP.
